

A Seasonal Athlete Registration Fee of \$10.00 per athlete is due to GA Men's USA Gymnastics for every competing athlete in Georgia. This annual fee must be received by **November 30** each year. An additional late fee of \$5 per athlete will be added for fees paid after the posted deadline. Not paying the seasonal fee may jeopardize the athlete's participation in the State Championships.

Please note that additional gymnasts who join your club late must be added to your club roster and the seasonal registration fee must be paid. There are no refunds if a gymnast retires. Additionally, this seasonal fee does NOT apply to Xcel athletes, but if an Xcel athlete advances and joins your JO team, the fee would be due.

STEP 1: Log into www.usagym.org and under Club Administration select Club Roster. Filter the criteria as shown below, click **Update**, then do a screenshot or export of the data. If you export the data, please change the file name to your club's name.

The screenshot shows the filter interface for the Club Roster. At the top, there is a search bar with a dropdown arrow, a search input field, an 'Update' button, and a 'I want to...' dropdown menu. Below this is a table of filter categories:
