SEASON ATHLETE REGISTRATION FEE

A registration fee of \$10.00 per athlete is due to GA Men's USA Gymnastics for every competing gymnast in Georgia. This annual fee must be received by **October 31** each year. An additional late fee of \$5 per athlete will be added for fees paid after the posted deadline. Not paying the seasonal fee may jeopardize the athlete's participation in the State Championships.

Please note that additional gymnasts who join your club late must be added to your club roster and the seasonal registration fee must be paid. There are no refunds if a gymnast retires and fees paid are not transferable. This seasonal fee does NOT apply to Club Gymnastics athletes, but if a Club athlete advances and joins your DP team, the fee would be due.

STEP 1: Log into www.usagym.org and under Club Administration select Club Roster. Filter the criteria as shown below so **ALL** of your **ACTIVE ATHLETES** are listed. Click **Update**, then do a screenshot of the entire list or export the data. If you export the data, please change the file name to your club's name.
